## Evolution Injector™

[Click here to watch a video of the Evolution Injector™](#)

A combination of our chemical cavity injector and Comfort Grip Trocar™ into one new product, bringing you the Evolution Injector™. Designed to bring the process down to one hand for advanced maneuverability.

Quick Release bottle attachment for easy bottle installation and removal.

Prepare multiple bottles of fluid for use at one time.

Sleek, lightweight Delrin and durable stainless steel design.

With the Evolution Injector™, embalming has never been easier. Simply remove the cavity injector with the click of a button and screw it onto your solution bottle. Attach the bottle to the Evolution Injector and you're ready to go!

### Optional Accessories:

CCI-EI5-HD 5" Evolution Injector Bottle Adapter (For use with 5" Bottles only!)

CCI-EI7-HD 7" Evolution Injector Bottle Adapter

QCM-ORING12PK Replacement O-rings

The non-functional ornamental design of this product is a Trademark of Instrument Design & Mfg. Co. LLC.
